

Ladder Association: Stepladder & Step Stool Inspection (LALSSI1)

Stepladders and Step Stools for Inspectors course is suitable for those people responsible for inspecting stepladders and step stools in places like shops, offices, schools, libraries and the healthcare sector.

All courses will be delivered in English and delegates must be physically able to carry out the practical elements of the course.

Delegates can attend our Training Academy in Sheffield or the course can be delivered in a suitable classroom at your normal place of work (subject to a risk assessment).

Course Contents

- Current Legislation, Regulations & Guidance
- Roles & Responsibilities of Employers & Employees
- Formal Inspections of Stepladders, Platform Stepladders and Step Stools
 - Inspection Procedure
 - Carrying Out an Inspection
 - Frequency of Inspections
 - Recording Inspections
 - Advice on Repairs & Disposal Procedures
- Personal Hazards

Learning Outcomes

On successful completion of the course, delegates will be able to:

- The law/standards relating to stepladders and step stools
- When it's right to inspect a stepladder or step stool
- How to carry out a formal inspection
- How to record the inspection and any faults
- What action to take if faults are identified
- How to accurately record details of stepladders and step stools used within the workplace.

Course Assessment

- Multiple Choice Questions
- Pre-Use Inspection, carrying and setting up a Stepladder and Step Stool
- Completing a formal inspection

Half Day
